To Whom It May Concern:

I am very impressed with the performance of the online Cheshbon calendar, [www.mymikvahcalendar.com](http://www.mymikvahcalendar.com). I have reviewed the calendar and find its functions to be true to the halachic detail required of such a calendar.

This online calendar brings an invaluable dimension to the practice of this integral part of the laws of Taharas Hamishpacha. Clear explanations and concise instructions guide the user through the often confusing calculations of the Onas Haveset in a simple, user-friendly format.

Taharas Hamishpacha International and Mikvah.org have exceeded all expectations in the creation of [www.mymikvahcalendar.com](http://www.mymikvahcalendar.com), bringing a state of the art level of observance to each couple with email and SMS reminders of all dates and halachic times pertinent to their personal calendars.

Every couple is urged to keep a written copy of their Onas Haveset in keeping with halacha and as a practical backup for personal use.

May the use of this program bring an improved observance of this mitzvah to all of Klal Yisroel and bring Moshiach ever closer.
